

Mumbai's Fast & Furious!

Mumbai's temperatures soared by several degrees on Sunday morning as a bevy of gleaming beauties lined up to hit the roads. India's first-ever Super Car parade broke all records on the drool-o-meter, as the speedsters drew 'oohs' and 'aahs' from the crowds. As the gunning sound of the engines revving up hit the air, so did the rush of adrenaline. Flagged off by ace speedster **Narain Karthikeyan**, soon there were Lamborghinis jostling for road space with Ferraris and Rolls Royces vied for attention alongside BMWs.

The first to hit the road was **Gautam Singhania** in his Ferrari C48, followed by **Karthikeyan** in his formula one car. Set for a round of fast and furious on Mumbai roads, amongst the other proud owners were **Adar and Yohan Poonawala** and **Pervez Damania**. **Raj Kundra** for a change was seen accompanied not by his sexy girlfriend **Shilpa Shetty**, but he had an equally sexy Audi for company (Not that the Shetty lass would mind it of course). Also seen basking in the compliments and indulging in some 'boy talk' were **Parvez Damania, Mohan Mariwala, Bonito Chhabria, Sunny Dewan, Arjan Bajwa** and **Vijaypath Singhania**.
